# *A Word* *from the* *President*

Has God called you into full-time Christian service? Would you like to get in-depth training in the Bible? If you answered “yes” to either of these questions, then ABC may be the place for you.

There is no clearer example of a young person being trained in the New Testament for the ministry than young Timothy. He was trained by an experienced mentor named Paul. He was admonished to have exemplary character and to “preach the Word.” He served the Lord in local churches and doubtless helped in church planting endeavors. Can someone be trained like this in the twenty-first century?

Students at ABC are taught by experienced servants of the Lord who are both spiritually and academically qualified, not graduates right out of college. Students are taught the personal discipline and character that is required of a servant of the Lord. Upon graduation, a graduate of ABC will have at least twenty-five more hours of Bible training than Bible majors who graduate from Christian liberal arts colleges. All students are required to be a part of an independent Baptist church in the area and faithfully attend and serve in it. Yes, men and women can be trained for the ministry as they were in the New Testament.

My prayer is that God will continue to call servants into His harvest field. Call us and schedule a campus visit to experience what God has raised up here at Ambassador Baptist College. Perhaps He wants you to be an “ambassador for Christ” (2 Cor. 5:20).

Under His wings,

*Alton Beal*

President

# *doctrinal* STATEMENT

## **We believe...**

...in the verbal, plenary inspiration of the Old and New Testaments.

...in the preservation of God's Word through the Hebrew Masoretic Text and the Greek Textus Receptus.

...that the King James Version is the best English translation of the Bible.

...in God in three Persons: Father, Son, and Holy Spirit.

...that God created the world in six literal twenty-four hour days.

...that all mankind is sinful, in need of salvation, and unable to save himself.

...that Christ died for the sins of all mankind and that salvation is by grace, through faith alone, based upon the finished work of Christ on the cross.

...in the bodily resurrection of Christ and His bodily ascension into Heaven, where He now intercedes for believers.

...in the reality of Heaven and Hell.

...that man was created as a responsible being and as such, he may choose to accept or resist the grace of God.

- ...in the eternal security of the believer.
- ...that the local church is God's institution to carry out the Great Commission.
- ...that the two ordinances of the local church are baptism by immersion for believers only and the Lord's Supper as a memorial.
- ...in the pretribulational rapture of all believers.
- ...in the premillennial return and millennial reign of the Lord Jesus Christ.
- ...in the judgment of believers at the Judgment Seat of Christ and the judgment of unbelievers at the Great White Throne.
- ...in the obligation of every believer to live a holy life and to witness to the lost of the saving power of Christ.
- ...that God is sovereign in the bestowment of all His gifts, and that the gifts of evangelists and pastor-teachers are sufficient for the perfecting of the saints for today.
- ...that speaking in tongues and the working of sign miracles gradually ceased as the New Testament Scriptures were completed and their authority became established.
- ...that the extremes of Calvinism and Arminianism are both unbiblical.
- ...that all forms of compromise with liberalism, ecumenicism, neo-evangelicalism, or the charismatic movement should be avoided by those who wish to live in obedience to God.

# *financial* INFORMATION

The cost of attending Ambassador Baptist College is modest in comparison to many other similar institutions. The faithful support of churches and Christian friends who desire to invest in quality Christian education enables the college to keep its costs down. However, only as the students are able to maintain faithful and prompt payment on accounts can this continue. In anticipation of attendance at college, both students and parents should realize the costs involved and make adequate preparation. Assistance in arranging financial matters may be secured from the Business Manager at any time.

## TUITION, ROOM AND BOARD, FEES

For a schedule of current tuition, room and board, and fees, see our enclosed financial information brochure or our website at the following address:  
*[www.ambassadors.edu/Admissions/Finances.php](http://www.ambassadors.edu/Admissions/Finances.php)*

## PAYMENT

All tuition, room and board, and fees are due and must be paid in full on the first day of the month the semester begins (i.e. August 1<sup>st</sup> or January 1<sup>st</sup>). As an exception, payment may be made at the time of registration.

Acceptable forms of payment are cash, check, Visa, MasterCard, or Discover.

Students unable to pay their school bill in full may enroll by paying the semester's fees (non-refundable) and one-fifth of the total tuition and room and board. The balance is then divided into four monthly payments to be paid on the first of each month during the semester. A \$50.00 finance charge is added to the total bill for this payment option. Students electing this option must understand that Ambassador Baptist College is in fact loaning the balance of the school bill to the student. If the monthly payment option is elected, then a contract, signed by both parent and student, will be put in place so that all interested parties know and understand the terms and their obligation to fulfill such terms. This contract constitutes a legal and enforceable agreement between Ambassador Baptist College and the student, just as any loan contract would at a bank or other financial institution.

Monthly payment is expected in the Business Office between the first and fifth of each month during the semester. Payments not made by the 10<sup>th</sup> of each month will be assessed a late fee of \$10.00.

A returning student will not be permitted to complete registration for a new semester until the account for the preceding semester has been satisfactorily settled.

A diploma, final report card, or transcript will not be issued until all financial accounts at the college are paid in full.

## REFUNDS

- Fees are never refundable.
- Room and board refunds are pro-rated on a daily basis.
- Tuition refunds are computed as follows if the student drops a class, withdraws, or is expelled:

<i>Registration week</i>	<i>90%</i>
<i>First/second week</i>	<i>80%</i>
<i>Third/fourth week</i>	<i>60%</i>
<i>Fifth/sixth week</i>	<i>40%</i>

Beyond the sixth week, no refund is given since the college has already made financial commitments for the entire academic year based upon the student's enrollment.

When a student with an outstanding account leaves the college for any reason, his or her account will be assessed an interest charge of one percent per month (12% per year) or \$10.00 per month, whichever is greater, on the unpaid balance until the debt is paid in full. This will begin 30 days after withdrawal from the school. However, if the student will make a minimum payment of \$100.00 per month toward the debt, the interest charge may be forgiven, at the discretion of the Business Manager, for the month in which the payment is made. The interest will also be forgiven if, in the opinion of the Business Manager, extenuating circumstances prevail. Under no circumstances will a debt be allowed to be carried for more than 12 months.

## REFUND POLICY FOR VETERANS, PARTICIPANTS, MILITARY, AND OTHER ELIGIBLE PERSONS

*Note: information in this section applies only to those eligible for VA benefits.*

The following refund policy will be applicable to persons enrolled under provisions of Title 38, U.S. Code, as amended. The institution has and maintains the following policy for the refund of the unused portion of tuition, fees, and other charges in the event the person fails to enter the course, withdraws, or is discontinued therefrom at any time prior to completion.

The amount charged to the persons for tuition, fees, and other charges for a portion of the course will not exceed the approximate *pro rata* portion of the tuition, fees, and other charges that the length of the completed portion of the course bears to its total length.

### PRE-PAYMENT INCENTIVE

All full-time students (12 hours minimum) can receive a \$50.00 deduction from their tuition each semester by pre-paying their total tuition (not including room and board or fees) not later than July 15 (fall semester) or December 15 (spring semester).

Dorm students who are full-time (12 hours minimum) can receive a \$50.00 deduction from their room and board each semester by pre-paying their total room and board (not including tuition or fees) not later than July 15 (fall semester) or December 15 (spring semester).

*\*Note: all fees are expected to be paid in full at the time of registration.*

### OTHER AID

A limited number of positions are available for on-campus employment. These positions are established only to perform functions necessary for the effective operation of the college. Work-aid positions are not guaranteed, and payment will be made by crediting the individual student's tuition account.

### EXAM PERMITS

Exam permits must be obtained before students will be permitted to take finals. These permits will be issued by the Business Office only if the student's balance is current. Students with outstanding balances will not be issued an Exam Permit. Exceptions may be made only on a case-by-case basis.

### MISCELLANEOUS

Spouses of students carrying a minimum of 9 hours may:

1. Audit\* classes tuition-free, paying only for books and fees, or
2. Take classes for credit, paying one-half of the tuition in addition to the books and fees. The pre-payment incentive for advance payment of tuition does not apply.

*\*Note: classes requiring participation, such as computer classes, music classes, speech, and homiletics, may not be audited.*

## ADMISSIONS POLICIES

Since the express purpose of Ambassador Baptist College is to train Christian young people for Christian service, it is expected that those who seek admission have a clear testimony of salvation and manifest evidence of good character, a dedication to purpose, a willingness to learn, and a sincere desire to know the will of God. Such demands the utmost in personal discipline of the Christian life, as related in the Word of God.

Attendance at Ambassador Baptist College is a privilege and not a right. This privilege may be forfeited at any time the administration feels that the student is not in harmony with the college. When the student makes application, he agrees to abide by the college's rules and standards of conduct.

Applicants for admission to Ambassador Baptist College must have earned a high school diploma or must present evidence that they have passed the tests of General Educational Development (GED).

It is recommended that those making application for the freshman year take the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have the results forwarded to the Office of Admissions. Ambassador Baptist College does not discriminate on the basis of race, color, sex, handicap, or ethnic origin.

## PROCEDURE FOR ADMISSION

1. Download an application from our website at [www.ambassadors.edu/Admissions/](http://www.ambassadors.edu/Admissions/) or use the form provided at the end of this catalog.
2. Complete the application, making certain all necessary information is provided.
3. Return the completed application with \$50.00 non-refundable application fee. *Note: application will be processed only if fee is paid.* (Graduate applications: this is the last step for graduates of Ambassador Baptist College. Graduates of other institutions must complete steps 4 – 7.)
4. Clearly print or type names and addresses on all recommendation forms and deliver them to the proper individuals. It is customary to provide an addressed, stamped envelope for the references. Address to:

### **Office of Admissions**

**Ambassador Baptist College**

**P.O. Box 158, 101 Stockton Street**

**Lattimore, NC 28089**

Request all transcripts from high schools, colleges, and other institutions of higher learning where credits were earned. Official transcripts are to be sent directly to the **Office of Admissions, Ambassador Baptist College**. Hand-delivered transcripts are not acceptable. (Graduate applications: address to **Ambassador Baptist Graduate School**.)

5. Submit an autobiographical sketch including family information, church and home life information, and employment information, if applicable. Include a testimony of salvation with time and specific circumstances. State life purpose, goals, and how Ambassador Baptist College relates to these objectives. Transfer students should state specific reasons for transfer.
6. Dormitory students must have a medical examination within the six months prior to enrollment. The Physician's Report should be mailed directly to **Records Office, Ambassador Baptist College**. A medical examination is not required for commuting students; however, North Carolina law requires that a current immunization record be on file in the Records Office. Immunization records are available from previously attended schools, physician's offices, health department records, military records, or parents.

*All items must be on file before an application can be processed. After evaluation of the application and file, official notification of application status will be given, along with further instructions.*

## FOREIGN STUDENTS

Ambassador Baptist College is authorized under federal law to enroll alien foreign students. It is the policy of Ambassador Baptist College that any foreign student must be personally recommended to us by an independent Baptist missionary from the United States who is currently serving in the area where the prospective foreign student lives.

Furthermore, it is required by the United States government that before a foreign student can be accepted into the United States, he must make application to the school and show proof that he will be financially responsible to pay all his education expenses, including tuition and room and board. The school is not able to provide financing, scholarships, employment, or housing. That must all be provided before a person can come as a student.

Once the application is received, the designated school official will send a financial responsibility form to be filled out and returned to the school. Upon receipt of the completed form, the official will issue an I-20 form for the student to present for a visa.

Foreign applicants must present evidence of having completed or received the equivalent of a United States high school diploma. Official transcripts of all secondary and post-secondary work must be submitted, along with certified English translations of all documents not written in English. All applicants whose native language is not English must submit results of the Test of English as a Foreign Language (TOEFL). Information about TOEFL may be obtained from any American embassy or consulate, or by writing to:

**Test of English as a Foreign Language**

**P.O. Box 899**

**Princeton, NJ 09540**

**USA**

Because this examination is administered only at certain times, the applicant should inquire concerning the testing dates well in advance of the semester for which he wishes to enroll.

All foreign students are required to take an English examination given by the college in order to determine their skills and place them properly in the English program. The college may determine that a student needs extra help before entering the regular degree program and require that he enroll in a specific “English as a Second Language” course, as determined by the Academic Dean.

## ACCREDITATION

It is not the intent of Ambassador Baptist College to seek secular or “Christian” accreditation for its programs of study. We choose not to submit our college to the standards of men who are not of like faith and practice.

Parents and students need to be aware that federally sanctioned accreditation (offering financial aid) invokes rigorous regulation upon institutions through government-appointed agencies.

Accreditation is not a guarantee of quality. A Bible college must be defined and directed only by God’s Word (I Corinthians 10:31; Hebrews 13:5; I Samuel 15:22; II Corinthians 6:14; Galatians 1:10). Its administration, faculty, and student body must always endeavor to walk by faith, trusting God’s provision and direction (Hebrews 11:6).

Accreditation is in direct violation of Biblical separation (II Corinthians 6:14). It has no Biblical basis whatsoever.

Undergraduate and graduate degree programs of study offered by Ambassador Baptist College have been found exempt from the requirement of licensure by the University of North Carolina under provisions of North Carolina General Statutes Section (G.S.) §116–15(d) for exemption from licensure with respect to religious education.

Exemption from licensure is not based upon any assessment of program quality under established licensing standards.

## GRADING SYSTEM

<b>A</b> .....	Excellent (93–100).....	4 grade points
<b>B</b> .....	Above average (85–92).....	3 grade points
<b>C</b> .....	Average (76–84).....	2 grade points
<b>D</b> .....	Below average (70–75).....	1 grade point
<b>F</b> .....	Failure (0–69).....	0 grade points
<b>I*</b> .....	Incomplete	
<b>WF</b> .....	Withdrew failing .....	0 grade points

*\*Note: “I” becomes an “F” if work is not completed within six (6) weeks after the final examination. In cases of extenuating circumstances, the Academic Dean may waive this requirement.*

**Grade Point Average (G.P.A.)** is determined by dividing the total number of grade points earned by the total number of graded credits for which a student has been registered. Courses transferred from other institutions, courses not completed, Basic English, and Fundamentals of Music are not included in the Grade Point Average.

## HONORS AND AWARDS

**The President’s List** is reserved for those who are full-time students (12 or more credit hours), who have no F’s, D’s, or WF’s, and who have attained a G.P.A. of 4.00 for the semester.

**The Dean’s List** is reserved for those who are full-time students (12 or more credit hours), who have no F’s, D’s, or WF’s, and who have attained a G.P.A. between 3.50 and 3.99 for the semester.

**The Honor Roll** is reserved for those who are full-time students (12 or more credit hours), who have no F’s, D’s, or WF’s, and who have attained a G.P.A. between 3.00 and 3.49 for the semester.

## GRADUATION HONORS

To recognize excellence in scholarship, the following honors are awarded to graduating students earning Bachelor’s degrees:

<i>Summa Cum Laude</i> (with highest Honors)	cumulative G.P.A. of 3.90–4.00
<i>Magna Cum Laude</i> (with high Honors)	cumulative G.P.A. of 3.75–3.89
<i>Cum Laude</i> (with Honors)	cumulative G.P.A. of 3.50–3.74

## CLASSIFICATION OF STUDENTS

Students are classified at the beginning of the school year based on the number of units completed in accordance with the following schedule:

<b>Freshman</b>	0–27 semester hours
<b>Sophomore</b>	28–61 semester hours
<b>Junior</b>	62–95 semester hours
<b>Senior</b>	96+ semester hours

# ACADEMIC POLICIES

## **Academic Load**

A student must carry a minimum of 12 semester hours to be classified as a full-time student. A student may not register for more than 18 hours without approval from the Academic Dean. An average academic load of 16.5 hours per semester is required to graduate in four years, except in the Christian Elementary Education program, where the load is greater.

A semester credit hour is 50 minutes of classroom study, lecture, or lab for a period of sixteen weeks. The calculation of clock hours is as follows: semester hours times weeks equals clock hours, e.g. 17 semester hours  $\times$  16 weeks = 272 clock hours.

## **Academic Records**

Complete records for each student are maintained by the Records Office and include the following:

- Credit given for work completed for previous education and training.
- Examination results from English placement tests and their equivalents.
- A final grade for each course for each enrollment period.
- A record of all withdrawals, including the last date of attendance and any re-enrollment in courses from which there were withdrawals.

Each semester, students are provided with the following records to show their progress toward graduation:

- A semester report card at the end of each semester which shows the student's progress for the entire semester. Grades recorded on the semester report card are permanent and will appear on the student's transcript.
- A progress report which shows the student's progress toward graduation. Semester hours completed for each area of study within the major, semester hours yet to be completed for each area of study within the major, and the student's cumulative G.P.A. are indicated.

## **Transcript Requests**

The normal processing time for a transcript request is two weeks. During the Christmas holidays, the processing time may be longer. Before transcript requests can be processed, the following requirements must be met:

- Send a signed written request for a transcript (include recipient's address).
- Include the transcript fee of \$8.00 per copy with your request.
- The student's account must be current with the Business Office.

## **Academic Forgiveness Policy**

Students are permitted to repeat courses where grades of F and WF are earned. Grades of D may also be raised, but only if the course is a requirement of their major area and requires a minimum grade of C. Repeated course entries will be followed by the letter R. Only the repeated course with its specific quality points will be used in the overall grade point average. The grade on the initial course will be replaced by a grade of R and will not be used in the overall grade computation.

The forgiveness policy may be utilized only by someone working toward a degree who has taken the repeated course(s) at Ambassador Baptist College prior to the receipt of his first bachelor's degree. The student can utilize the policy only once

per course and to a maximum of five different F, WF, or D courses. A student should consult the Academic Dean's Office prior to registration each term to assure that the policy is applicable to his specific concern.

### **Academic Progress and Probation**

Each student must demonstrate through his scholastic record that he is making satisfactory academic progress in order to remain eligible to remain in his program of study or to continue in the school. Satisfactory progress for enrollment purposes is based solely on the courses attempted at Ambassador Baptist College. A minimum cumulative G.P.A. of 2.00 is expected to graduate. At the end of each semester, the Academic Dean will review each student's progress and make specific decisions concerning continued enrollment. If a student's cumulative G.P.A. is 2.00 or above, he is considered to be making satisfactory progress and is eligible to enroll for the upcoming semester of study. If the student's cumulative G.P.A. is below 2.00, he is considered to be having academic difficulty and is placed on academic probation for the upcoming semester.

Academic probation should alert the student that progress in his program of study is in jeopardy and immediate attention is imperative. The probationary term will be served during the student's next term of enrollment. During this period, the student is ineligible to participate in any leadership positions in connection with the college, including traveling musical groups. Involvement in these activities requires much time and interferes with the need for study. Furthermore, the student will be limited to a prescribed academic load of approximately 12 semester hours or fewer. If the semester ends and the semester's G.P.A. is below 2.00, he is not considered to be making satisfactory progress and will, at the discretion of the administration, be dismissed from the school. However, if at the conclusion of the probationary period, the student's semester G.P.A. is above 2.00 but his cumulative G.P.A. is still below 2.00, he is considered to be making satisfactory progress and will be given one additional term of probationary enrollment. This extended probationary status recognizes the student's progress, but an additional semester of study is necessary to raise the cumulative G.P.A. to the desired minimum. Students released from the college for academic reasons are eligible to apply for readmission after one semester. However, readmission is not automatic. Students readmitted after academic expulsion are accepted on a probationary basis. A minimum G.P.A. of 2.00 will be required each semester in order to continue. The probationary status will be removed once the student's cumulative G.P.A. is 2.00 or better.

Any student dismissed twice due to unsatisfactory academic progress may not apply for readmission for one academic year.

Appeals of academic decisions implemented through this policy may be made in writing to the Academic Dean.

### **Academic Counseling**

The college provides academic counseling to assist students in planning their academic programs and to deal with any problems which need assistance, including determination and removal of causes for low academic scholarship. During the school year, a student may consult the Academic Dean concerning his course of

study and his future academic plans. Counsel is given by the Academic Dean to assist the student in making progress toward graduation.

### **Transfer Credit Policies**

Ambassador Baptist College reserves the right to reject transfer credits from any academic institution at the discretion of the administration. Credits may be transferred if earned in another college, university, or institution of collegiate level, under the following provisions:

- Only credits which carry a grade of A, B, or C will be accepted for transfer credit.
- Courses accepted for transfer must be of comparable content and quality as those offered by Ambassador Baptist College.
- Courses of comparable quality but not of comparable content will be accepted as elective credits.
- While transfer credits beyond the number required for each area of study within a major are acceptable as electives, the electives will be limited to the number required for each major.
- Each transfer student will be required to complete a minimum of 64 semester hours toward the bachelor's degree and 50 semester hours toward the Graduate of Theology diploma at Ambassador Baptist College. In the "Undergraduate Programs" section of this catalog, the curriculum for each major includes the required number of hours in several categories for completion of the degree.

## **REGISTRATION**

All students must register for classes. Registration days are scheduled at the beginning of each semester. Students living in the area may register early, but a late registration fee will be assessed to all who register after scheduled registration times. Registration is not complete until financial arrangements have been approved in the college Business Office. Students will not be permitted to enroll in any class after the second week of the semester.

## **CHANGE OF REGISTRATION**

The following procedures have been established for those students who need to change their schedules after registration.

1. Consult with the Academic Dean.
2. If a change is recommended, complete the appropriate form.
3. Pay the add, drop, or transfer fee if applicable. This fee is not charged during the first two weeks of each semester. Any courses dropped during the first two weeks of the semester will not appear on the student's transcript. Courses dropped after the second week of the semester will be given grades WP or WF. Failure to withdraw officially will automatically result in the penalties associated with the college's policy on class attendance.
4. Courses may not be added after the second week of the semester.

## ATTENDANCE

### **Class Attendance**

Regular attendance to classes is required. A student is responsible for all work assigned, including any assignments missed because of absence. Whenever possible, a student should consult his instructor in advance about work to be missed because of a foreseeable absence. An instructor is authorized to lower the grade of any student who has unexcused absences. Excessive absences (absences exceeding four times the number of weekly sessions for the class) will result in a grade of F. Excessive absences directly related to emergency situations or extended illnesses may be appealed in writing to the Academic Dean.

Students missing class on the date of a scheduled test will not be permitted to make up the test or to take it early unless unusual circumstances prevail and approval is granted by the instructor. Students failing to take a final examination at the scheduled time will not be permitted to make up the test without written approval from the Academic Dean.

Punctual attendance is expected in all classes. Three tardies will equal one unexcused absence.

Students will be excused from class to allow for participation in approved college functions, as determined by the Academic Dean and/or the Dean of Students. Students missing class because of such activities are responsible for the material given during the class. Arrangements must be made for early submission of assignments due on the day(s) of an absence. Make-up of scheduled tests or quizzes should be coordinated with the appropriate instructor and will be taken prior to the scheduled date whenever possible. Absences for these functions are not counted against the student's record for the semester.

### **Chapel Attendance**

Daily chapel attendance is required of all students as an integral part of their training. See Student Handbook for details.

### **Church Attendance**

Ambassador Baptist College requires every student to faithfully attend and support one of the independent, fundamental, Baptist churches in the area in all services of that church, as well as any special services of that church. Each student is also required to participate a minimum of two hours per week in that church's evangelistic visitation program.

## COURSE AVAILABILITY

The courses in the catalog are offered with the full-time student in mind. Anyone who is planning to attend Ambassador Baptist College for only a year or two should make certain that the courses he wishes to take will be offered during the time that he wishes to attend. Ambassador Baptist College cannot assume the responsibility to offer specific courses for students who plan to attend for only a short time.

The college reserves the right to cancel any course that does not have sufficient enrollment to warrant the offering of that particular course.

## IRREGULAR SCHEDULING

While the college will do its best to accommodate individual scheduling to meet employment schedules or other needs, courses cannot be scheduled for the convenience of individual students who cannot or who do not take courses in their regular sequence. Students must plan ahead.

## SUMMER SCHOOL

Detailed information about summer school courses, activities, and dates may be obtained by contacting the Records Office.

## WITHDRAWAL FROM THE COLLEGE

Withdrawal from the college requires completion of a Withdrawal Form obtained from the Academic Dean. This form must be submitted to the Academic Dean and also to the Business Office before withdrawal becomes official. The effective date of the withdrawal shall be the date on which the student signs the Withdrawal Form or in the case of an unofficial withdrawal, the date determined by the Academic Dean once the student has exceeded the excessive absence policy described in the class attendance policy. Failure to follow the administrative procedure for withdrawal will result in a grade of F in all courses and a forfeiture of any refund.

## PROGRAMS OFFERED

Every student enrolled in the bachelor-degree programs at Ambassador Baptist College will major in Bible, as well as in a second area of study as listed on the following page. The number of semester hours of Bible will vary between sixty and sixty-five hours for each program. Every four-year student will have studied through the entire Bible by the end of his senior year.

In addition, between his junior and senior years, every student in a bachelor-degree program will be required to serve an internship in the area of his second major, for which he will earn six semester hours credit. This internship will be performed in the field under the observation and supervision of authorized personnel, such as a local pastor and staff, an active evangelist, or a field missionary.

## GRADUATION REQUIREMENTS

Ambassador Baptist College grants degrees and certificates to those students who meet the following standards:

- Demonstration of the assurance of salvation as evidenced by the fruit of the Holy Spirit and approved conduct in accordance with Christian character as prescribed in the Student Handbook.
- Demonstration of Christian service by successful completion of the Christian service and student internship requirements.
- Satisfactory completion of one of the college's programs with a cumulative grade point average of 2.00 or more.
- Full payment of all financial obligations.
- Written agreement with the doctrinal statement.

## COURSE CODES AND NUMBERS

# Pastoral Curriculum

The pastoral course provides the basics necessary to prepare a man to become a pastor, should the Lord so direct. Included in the course requirements are sixty-five credit hours in Bible and thirty-one hours in practical training. Seventeen hours of electives enable the student to round out his program of studies in areas of special interest to him, such as additional Bible, Greek, Christian education, or music. Each student completing the pastoral course will have a double major in Bible and in pastoral studies.

# Second Man Curriculum

(*Music Emphasis*)

The second man program with a music emphasis is intended to train a man to become a director of music in a local church. In addition to sixty hours of Bible and twenty-four hours of practical training, twenty-five hours of music are required. In addition to his preparation to be a music director in a local church, enough of the pastoral courses are included to enable him also to preach and to be an effective administrative assistant, an associate pastor, or even a pastor, if the Lord should so direct. Each student completing this program of study will have a double major in Bible and music.

# Certificate in Bible

The certificate in Bible is a course of study designed for the student who may not be certain what the Lord wants him to do in life or who may believe that God has not called him into full-time Christian service. It is intended to provide him with a concentrated program of Bible study which will enable him to get a good foundation for life, whether he leaves to pursue other studies or employment or whether he stays to complete his bachelor's degree. The program consists of thirty credit hours of Bible, three hours of Christian education, and two hours of personal evangelism. In as much as all courses in this program of study are required for graduation in every other major offered at Ambassador Baptist College, the student loses no credits should he decide to stay and complete one of the other programs of study.

# *A Word*

*from the Academic Dean*

The Graduate program of Ambassador Baptist College is unique in the same way that our undergraduate program is unique. This includes a strong emphasis on Bible and practical theology, plus a desire to impart Ambassador's philosophy of ministry, while maintaining high academic standards. The strong emphasis on Bible is seen in the requirement of at least sixty hours of Bible courses as the entrance requirements for some programs and as the graduation requirement for another.

The teaching of our ministry philosophy is to be accomplished through residence work, including chapel attendance, either at the undergraduate or graduate level. The high academic standards are demonstrated in the fact that nearly all of the courses will be taught by faculty who have earned academic degrees beyond the levels which they teach. The fact that Ambassador's faculty consists of people with many years of ministry experience is helpful, as is the fact that those faculty members who teach at the undergraduate level will not teach the advanced versions of those same subjects at the graduate level. With all of this, Ambassador seeks to maintain a strong evangelistic, local church emphasis for the ministry.

## MUSIC

**MU 514.3 Song Leading and Church Music Administration**

Basic patterns and styles of leading congregational singing are covered. Platform technique, choice of correct literature for the service, and music philosophy are also developed, as well as training in the setting up and administering of the total music program in the local church.

## PRACTICAL THEOLOGY

**PT 501.1, 502.2, 601.1, 602.1 The Preacher and His Ministry**

A practical seminar dealing with the problems and opportunities of every-day life in the ministry. The courses will be taught on a two-year rotation. The student is required to take the particular course offered each semester he is attending classes on the graduate level, up to a maximum of two years. The course requirements are in addition to the 32 semester hours required for graduation.

**PT 507.3 Homiletics**

An introductory study of the preparation and delivery of sermons with special emphasis on types, content, and sources of material for sermons. Classroom presentation is required, with constructive criticism given.

**PT 508.3 Expository Preaching**

A consideration of the steps involved in effective expository preaching including a careful exegetical study of the passage, creative practical arrangement of the sermon material, and dynamic pulpit presentation. Pre-requisite: PT 307.3/507.3 or equivalent.

**PT 605.2 Church Planting and Administration**

A consideration of methods and steps of church planting primarily in the United States, with a focus on the structural organization, administration, and overall operation of a local church. Special attention is given to the pastor's role in effectively overseeing all functions which relate to the local church.

**PT 606.2 Pastoral Theology**

Accentuates the leadership qualities and qualifications of the pastor. Instruction on the administration of church ordinances and other functions such as weddings, funerals, etc., in which a pastor is personally involved.

**PT 607.2 Counseling**

An introduction to the principles and practice of Biblical counseling to enable students to counsel effectively in their local churches, Christian camps, etc., equipping students to counsel in typical life situations and to apply Biblical principles in finding solutions to problems.

**PT 609.3 Evangelistic Preaching**

A consideration of evangelistic sermon preparation including outlining, proper use of illustrative material, effective use of memorized Scripture, instruction on dynamic delivery and giving an invitation conducive to bringing results, and making doctrinal preaching evangelistic. Pre-requisite: PT 307.3/507.3 or equivalent.

## AUTOMOBILES

Any student may have an automobile on campus. All students who bring automobiles onto campus are required to have proof of automobile insurance coverage. Automobiles must be registered with the Business Office, and a registration fee must be paid. Use of an automobile deemed by the administration to be inappropriate may result in forfeiture of this privilege on an individual basis.

## INSURANCE

There is no student accident and/or health insurance plan currently available. All students are encouraged to provide their own private insurance protection to cover accidents and illnesses.

## STANDARDS OF CONDUCT AND DISCIPLINE

Ambassador Baptist College is vitally concerned with the personal and spiritual development of its students and expects that its students will conform to the highest standards of Christian conduct. The college strives to accept those students who are sincere and earnest in their desire to live for Jesus Christ and who give evidence of conduct consistent with such a profession. In this regard, attendance at Ambassador Baptist College is a privilege, and the college specifically reserves the right to dismiss students who conduct themselves in a manner incompatible with its purpose and functions.

A student whose personal conduct is a poor testimony for Christ and who fails to live in accordance with the Scriptural ideals of Ambassador Baptist College will be spiritually counseled and will be disciplined to such extent as the Dean of Students or the Discipline Committee deems advisable. The college reserves the right to refuse admission, to put on disciplinary probation, or to dismiss any student whose personal conduct or attitude in the judgment of the administration is not consistent with the Christian spirit and standards which the college seeks to maintain.

## DINING

Students, faculty, and staff enjoy great food and times of fellowship in the Love Memorial Dining Hall. Resident students are served three meals each day Sunday through Friday, as well as brunch and supper on Saturdays. College faculty, staff, and administration along with their families eat meals with the students in the dining hall at lunch time each day, helping to foster a family atmosphere and giving opportunities for interaction outside the classroom environment.

## HOUSING

Married students must provide their own housing. The college will provide assistance in locating adequate housing. Single students under twenty-three years of age must live in the dormitories unless living with a blood relative or with a legal guardian. Any exceptions must be approved in writing by the Dean of Students. Those between twenty-three and thirty years of age at the beginning of a semester may attend either as dormitory students or as commuting students, except that all single students who must move to the Lattimore area to attend Ambassador Baptist College and who are under thirty years of age must live in the dormitory at least one semester. Once a student who qualifies to live in town begins a semester or summer session in the dormitory, he may not move into town until the beginning of the next semester or summer session. Applicants thirty years of age and over must provide their own housing and are not eligible to live in the dormitories.

## LIBRARY

The Kennedy Library was named for the late Mr. and Mrs. John L. Kennedy, the parents of Mrs. Ron Comfort and Mrs. Mary Rosenau, who is the present college librarian.

The library provides study space for sixty students at one time, internet access for personal computers, and one college computer, with eight more available in the computer lab. At the present time, nearly 25,000 books are shelved, with more being added daily. Forty-seven current ministry-related periodicals, as well as two daily and two weekly newspapers are kept on hand, in addition to both Biblical and secular sets of encyclopedias, a large number of biographies, many Bible commentaries, various music volumes, and volumes helpful to elementary education majors. Two libraries on loan from missionaries are available for students to use in the library.

A large laminating machine provides a way for students and others to preserve teaching aids and bulletin board materials. Vertical files house mission agency information and Christian school data. There is a good supply of audio-visual material and equipment, including a micro-fiche reader with tapes of the early Sunday School Times, for students to supplement classroom instruction.

## THE DAVID L. CUMMINS GRADUATE STUDY LIBRARY

The David L. Cummins Library houses the Baptist History books of the late Dr. David L. Cummins, along with many other volumes that the graduate students need. Theological journals include *Bibliotheca Sacra*, *Journal of Dispensational Theology*, and *Grace Journal*, all for use in the library.

## STUDENT ACTIVITIES

One aspect of maintaining a family atmosphere is providing opportunities for our college family to enjoy times of recreation and fellowship. Get-acquainted activities at the beginning of the school year help students and staff get to know the new students. Each school year, there are several activities and banquets throughout the year to give other opportunities for fellowship and social interaction.

Intramural athletics, organized through our student activity leagues, provide opportunities for exercise and recreation. Throughout the year, students have the opportunity to participate in softball, basketball, and volleyball games, as well as other league events and activities. At the end of the school year, the top league receives the coveted President's Cup trophy.

## AUTOMOBILES

Any student may have an automobile on campus. All students who bring automobiles onto campus are required to have proof of automobile insurance coverage. Automobiles must be registered with the Business Office, and a registration fee must be paid. Use of an automobile deemed by the administration to be inappropriate may result in forfeiture of this privilege on an individual basis.

## INSURANCE
