

Dear Friend:

Some of the most important buildings on the campus of Ambassador Baptist College are the dormitories and the library. Each dormitory serves as a home away from home where students can relax, catch a nap, or spend time with their roommates. Many students use the college library to do research for projects and papers, study for exams and quizzes, and prepare for sermons or Sunday School lessons. We need your help to provide quality facilities and services for our students who are preparing for the ministry.

The Jeanne LeForce dormitory has housed many young ladies over the past ten years. To continue the warm, comfortable environment it has provided through the years, there is a need to replace the carpet and to repaint the interior walls of the dormitory. These improvements will need to be made before the 2012-13 school year begins.

The Kennedy Library houses thousands of books and periodicals for our students to use as they study for the ministry. In recent months, a number of books have been donated to the library. However, there is a need for more shelving so these books can be added to the library. There is also a critical need to upgrade the library software that is used to manage book circulation and student accounts. Once upgraded, books may be checked in and out by scanning barcodes and students will be able to use touch screen card catalogs to assist them in finding the resources they need.

It is estimated that \$20,000 will be needed to accomplish the work that is needed in these areas. Would you prayerfully consider helping ABC as we near the end of 2011? Your tax-deductible gift will make a considerable difference in the years to come. You may also contribute to the Student Scholarship Fund to assist students who have financial need. Please place your gift and response card in the envelope that has been provided for you. All gifts postmarked by December 31st will be received for the 2011 tax year.

All friends who give a gift of \$100 or more will receive a copy of *Last Things*, the latest book by Dr. Ron Comfort. *Last Things* is a compilation of eleven prophetic messages that Dr. Comfort has preached through the years. I know the book would be a blessing to you.

May the Lord fill your mind and heart with His many blessings during the seasons of Thanksgiving and Christmas! "It is a good thing to give thanks unto the LORD, and to sing praises unto thy name, O most High!" (Psalm 92:1).

Under His Wings,

Alton Beal
