A WORD FROM THE PRESIDENT

Dear Friend:

Since day one, the purpose of Ambassador Baptist College has been to train men and women for full-time Christian service. Many of our graduates are pastoring churches or serving in church leadership positions. Others are impacting the next generation as teachers in the Christian school movement.

If you want to make a difference in the lives of others through the Gospel, then consider joining us at Ambassador Baptist College. We offer our students a robust Bible curriculum coupled with a practical emphasis in ministry. Our classrooms are filled with teachers who are veterans in the ministry and students who love the Lord.

God is still calling Ambassadors for Christ (2 Cor. 5:20). The world desperately needs to hear God's message of love and reconciliation. I pray that your heart will be surrendered and that your ears will be listening for His call.

An ambassador for Christ,

Alton Beal
President

DOCTRINAL STATEMENT

We believe...

...in the verbal, plenary inspiration of the Old and New Testaments.

...in the preservation of God's Word through the Hebrew Masoretic Text and the Greek Textus Receptus.

...that the King James Version is the best English translation of the Bible.

...in God in three Persons: Father, Son, and Holy Spirit.

...that God created the world in six literal twenty-four hour days.

...that all mankind is sinful, in need of salvation, and unable to save himself.

...that Christ died for the sins of all mankind and that salvation is by grace, through faith alone, based upon the finished work of Christ on the cross.

...in the bodily resurrection of Christ and His bodily ascension into Heaven, where He now intercedes for believers.

...in the reality of Heaven and Hell.

...that man was created as a responsible being and as such, he may choose to accept or resist the grace of God.

...in the eternal security of the believer.

...that the local church is God's institution to carry out the Great Commission.

...that the two ordinances of the local church are baptism by immersion for believers only and the Lord's Supper as a memorial.

...in the pretribulational rapture of all believers.

...in the premillennial return and millennial reign of the Lord Jesus Christ.

...in the judgment of believers at the Judgment Seat of Christ and the judgment of unbelievers at the Great White Throne.

...in the obligation of every believer to live a holy life and to witness to the lost of the saving power of Christ.

...that God is sovereign in the bestowment of all His gifts, and that the gifts of evangelists and pastor-teachers are sufficient for the perfecting of the saints for today.

...that speaking in tongues and the working of sign miracles gradually ceased as the New Testament Scriptures were completed and their authority became established.

...that the positions of Calvinism and Arminianism are unbiblical.

...that all forms of compromise with liberalism, ecumenicism, new evangelicalism, or the charismatic movement should be avoided by those who wish to live in obedience to God.

...that God ordained marriage to be between one man and one woman and commanded that no intimate sexual activity be engaged in outside of marriage. Any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery, and pornography is a sinful perversion of God's gift of sex.

...that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance.

FINANCIAL INFORMATION

The cost of attending Ambassador Baptist College is modest in comparison to many other similar institutions. The faithful support of churches and Christian friends who desire to invest in quality Christian education enables the college to keep its costs down. However, only as the students are able to maintain faithful and prompt payment on their school accounts can this continue. In anticipation of attendance at college, both students and parents should realize the costs involved and make adequate preparation as described in Luke 14:28–30.

Questions concerning financial matters may be addressed to the Business Office at any time.

TUITION, ROOM AND BOARD, FEES

For a schedule of current tuition and room and board rates and fees, visit our website at the following address: www.ambassadors.edu/finances.

PAYMENT

Students unable to pay their school bill in full may enroll by applying for the monthly payment option. If the monthly payment option is selected, then a contract signed by the student (and parent, for students under 18 years of age) will be executed to ensure that all interested parties know and understand the terms of their obligation to the college. It must be understood that this contract constitutes a legally enforceable agreement between Ambassador Baptist College and the student (and parent, if applicable), just as a consumer loan contract would at any financial institution.

The terms of the monthly payment plan are six-month terms (June–November for the fall semester and December–May for the spring semester), with a \$10.00 payment plan fee per month. The monthly payment option is for tuition and room and board only. All fees are due and payable no later than student registration and no student will be issued an ID to attend class until fees have been paid in full. Final payment for each semester must be made prior to the start of final exams or the student will not be allowed to take final exams until their accounts is paid in full. This payment includes graduation fees.

Monthly payment is expected in the Business Office on the first of each month during the term of the contract. Scheduled payments not made in full by the 10th of each month will result in the assessment of a late fee of \$30.00 to the student's account.

New students enrolling at Ambassador Baptist College after the start of the six-month payment period and desiring to make monthly payments will have their balances evenly divided over the remaining months of the payment period. Fees will continue to be due and payable at the time of registration.

Note: This will likely necessitate a larger-than-normal monthly payment for the first semester of enrollment.

A returning student will not be permitted to complete registration for a new semester until the account for the preceding semester has been satisfactorily settled.

A diploma, final report card, or transcript will not be issued until all financial accounts at the college are paid in full.

VETERAN'S BENEFITS

Ambassador Baptist College is eligible for and accepts all veteran's education benefits disbursed by the VA and is certified as a NCD school based on clock hours. This website provides additional information for veterans: www.benefits.va.gov/gibill. To take advantage of these programs, apply online at the GI Bill® website for your certificate of eligibility and send the certificate to Ambassador to be included in your file.

Ambassador Baptist College provides the following resources and assistance to Veterans in accordance with V.A. guidelines:

- A written summary of total educational costs including costs covered by Veterans benefits, available scholarships and aid, and remaining costs to the student
- An educational plan and timeline for on-time graduation
- A personal contact for academic and financial questions
- Absences for military service obligations without loss of enrollment status.
- Enrollment advice to ensure that Veterans are enrolled in V.A. approved programs
- Refund policies in compliance with federal guidelines
- Accurate representations of college requirements without recruiting pressure

REFUND POLICY FOR VETERANS AND OTHER ELIGIBLE PERSONS

Note: Information in this section applies only to those eligible for VA benefits.

The following refund policy will be applicable to persons enrolled

under provisions of Title 38, U.S. Code, as amended. Ambassador Baptist College has and maintains the following policy for the refund of the unused portion of tuition, fees, and other charges in the event the person fails to enter the course, withdraws, or is discontinued therefrom at any time prior to completion:

The amount charged to the persons for tuition, fees, and other charges for a portion of the course will not exceed the approximate pro rata portion of the tuition, fees, and other charges that the length of the completed portion of the course bears to its total length.

Note: Ambassador Baptist College is only approved to certify in-person classes for veteran's benefits.

PRE-PAYMENT INCENTIVE

All full-time students (12 hours minimum) can receive a \$50.00 deduction from their tuition each semester by pre-paying their total tuition (not including room and board or fees) no later than June 1 (fall semester) and December 1 (spring semester). Dorm students who are full-time (12 hours minimum) can receive a \$50.00 deduction from their room and board each semester by pre-paying their total room and board (not including tuition or fees) no later than June 1 (fall semester) and December 1 (spring semester).

Note: All fees are expected to be paid in full at the time of registration.

OTHER AID

A limited number of positions are available for on-campus employment. These positions are established only to perform functions necessary for the effective operation of the college. Work-aid positions are not guaranteed and payment will be made by crediting the individual student's tuition account.

GRADUATION

Under no circumstance will a student be allowed to graduate unless all fees, tuition, and room and board have been paid in full.

MISCELLANEOUS

Spouses of students carrying a minimum of 9 hours may:

1. Audit* classes tuition-free, paying only for books and fees, or

2. Take classes for credit, paying one-half of the tuition in addition to the books and fees. The pre-payment incentive for advance payment of tuition does not apply.

**Note: Classes requiring participation, such as computer classes, music classes, speech, and homiletics, may not be audited.*

REFUNDS

- Fees are never refundable.
- Room and board refunds are pro-rated on a daily basis.
- Tuition refunds are computed as follows if the student drops a class, withdraws, or is expelled:

Registration week	90%
First/second week	80%
Third/fourth week	60%
Fifth/sixth week	40%

Beyond the sixth week, no refund is given since the college has already made financial commitments for the entire academic year based upon the student's enrollment.

When a student with an outstanding account leaves the college for any reason, his or her account will be assessed an interest charge of one percent per month (12% per year) or \$10.00 per month, whichever is greater, on the unpaid balance until the debt is paid in full. This will begin 30 days after withdrawal from the school. However, if the student will make a minimum payment of \$100.00 per month toward the debt, the interest charge may be forgiven at the discretion of the Business Manager, for the month in which the payment is made. The interest will also be forgiven if, in the opinion of the Business Manager, extenuating circumstances prevail. Under no circumstances will a debt be allowed to be carried for more than 12 months.

ACADEMIC INFORMATION

ADMISSIONS POLICIES

Since the express purpose of Ambassador Baptist College is to train Christian young people for Christian service, it is expected that those who seek admission have a clear testimony of salvation and manifest evidence of good character, a dedication to purpose, a willingness to learn, and a sincere desire to know the will of God. Such demands the utmost in personal discipline of the Christian life, as related in the Word of God.

Attendance at Ambassador Baptist College is a privilege and not a right. This privilege may be forfeited at any time the administration feels that the student is not in harmony with the college; therefore, when the student makes application, he agrees to abide by the college's rules and standards of conduct.

Applicants for admission to Ambassador Baptist College must have earned a high school diploma or must present evidence that they have passed the tests of General Educational Development (GED). High school diplomas for homeschooled students will be accepted if the high school requirements meet the minimum state requirements for a high school diploma in North Carolina or the student's home state. Current guidelines for NC may be found in the NC Homeschool Guide Book accessible on the official NC state website.

Applicants for the freshman year must take either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have the results forwarded to the Office of Admissions. Any exceptions must be approved by the administration. Ambassador Baptist College does not discriminate on the basis of race, color, sex, handicap, or ethnic origin.

PROCEDURE FOR ADMISSION

1. Complete an application on our website at www.ambassadors.edu/apply.
2. Submit the completed application along with a \$50.00 non-refundable application fee. Note: Application will be processed only if fee is paid. (Graduate applicants: this is the last step for graduates of Ambassador Baptist College. Graduates of other institutions must complete steps 3–5.)
3. Contact information for required references may be submitted with the on-line application. If a printed reference form is used, it is customary to provide an addressed, stamped envelope for the references. Address to:

**Office of Admissions
Ambassador Baptist College
P.O. Box 158
Lattimore, NC 28089**

4. Request all transcripts from high schools, colleges, and other institutions of higher learning where credits were earned. Official transcripts are to be sent directly to the above address. Official transcripts may also be sent via email to admissions@ambassadors.edu. Hand-delivered transcripts are not acceptable.
5. North Carolina law requires that a current immunization record be on file in the Records Office. Immunization records are available from previously-attended schools, physician's offices, health department records, military records, or parents.

Note: All items must be on file before an application can be processed. After evaluation of the application and file, official notification of application status will be given, along with further instructions.

FOREIGN STUDENTS

Ambassador Baptist College is authorized under federal law to enroll alien foreign students. It is the policy of Ambassador Baptist College that any foreign student must be personally recommended to us by an independent Baptist missionary from the United States who is currently serving in the area where the prospective foreign student lives.

Furthermore, it is required by the United States government that before a foreign student can be accepted into the United States, he must make application to the school and show proof that he will be financially responsible to pay all his education expenses, including tuition and room and board. The school is not able to provide financing, scholarships, employment, or housing. Those must all be provided before a person can come as a student.

Once the application is received, the designated school official will send a financial responsibility form to be filled out and returned to the school. Upon receipt of the completed form, the official will issue an I-20 form for the student to present for a visa.

Foreign applicants must present evidence of having completed or received the equivalent of a United States high school diploma. Official transcripts of all secondary and post-secondary work must be submitted, along with certified English translations of all documents not written in English. All applicants whose native language is not English must submit results of the Test of English as a Foreign Language (TOEFL). Information about TOEFL may be obtained from any American embassy or consulate, or by writing to the address below or by visiting www.ets.org/toefl/contact.

TOEFL Services
EST
P.O. Box 6151
Princeton, NJ 08541-6151
USA

Because this examination is administered only at certain times, the applicant should inquire concerning the testing dates well in advance of the semester for which he wishes to enroll.

All foreign students are required to take an English examination given by the college in order to determine their skills and place them properly in the English program. The Academic Dean may determine that a student needs extra help before entering the regular degree program and require that he enroll in a specific “English as a Second Language” course.

ACCREDITATION

It is not the intent of Ambassador Baptist College to seek secular or “Christian” accreditation for its programs of study. We choose not to submit our college to the standards of men who are not of like faith and practice.

Parents and students need to be aware that federally-sanctioned accreditation (offering financial aid) invokes rigorous regulation upon institutions through government-appointed agencies.

Accreditation is not a guarantee of quality. A Bible college must be defined and directed only by God’s Word (I Corinthians 10:31; Hebrews 13:5; I Samuel 15:22; II Corinthians 6:14; Galatians 1:10). Its administration, faculty, and student body must always endeavor to walk by faith, trusting God’s provision and direction (Hebrews 11:6).

Accreditation is in direct violation of Biblical separation (II Corinthians 6:14). It has no Biblical basis whatsoever.

Degree programs of study offered by Ambassador Baptist College have been declared by the appropriate state authority exempt from the requirements for licensure, under provisions of North Carolina General Statutes Section (G.S.) 116-15 (d) for exemption from licensure with respect to religious education.

Exemption from licensure is not based upon any assessment of program quality under established licensing standards.

GRADING SYSTEM

- A – Excellent (93–100)4 grade points
- B – Above average (85–92)3 grade points
- C – Average (76–84)2 grade points
- D – Below average (70–75)1 grade point
- F – Failure (0–69)0 grade points
- I* – Incomplete
- WF – Withdrew failing0 grade points

**Note: A grade of Incomplete becomes an F if work is not completed within six (6) weeks after the final examination. In cases of extenuating circumstances, the Academic Dean may waive this requirement.*

Grade Point Average (G.P.A.) is determined by dividing the total number of grade points earned by the total number of graded credits for which a student has been registered. Courses transferred from other institutions, courses not completed, Basic English, and Fundamentals of Music are not included in the G.P.A.

HONORS AND AWARDS

The President's List is reserved for those undergraduate students who are full-time students (12 or more credit hours), who have no F's, D's, I's or WF's, and who have attained a G.P.A. of 4.00 for the semester. Graduate students and graduating seniors in their final semester who are taking 6 or more credit hours who meet the other criteria are also eligible.

The Dean's List is reserved for those undergraduate students who are full-time students (12 or more credit hours), who have no F's, D's, I's or WF's, and who have attained a G.P.A. between 3.50 and 3.99 for the semester. Graduate students and graduating seniors in their final semester who are taking 6 or more credit hours who meet the other criteria are also eligible.

The Honor Roll is reserved for those undergraduate students who are full-time students (12 or more credit hours), who have no F's, D's, I's or WF's, and who have attained a G.P.A. between 3.00 and 3.49 for the semester. Graduate students and graduating seniors in their final semester who are taking 6 or more credit hours who meet the other criteria are also eligible.

GRADUATION HONORS

To recognize excellence in scholarship, the following honors are awarded to graduating students earning Bachelor's or Master's degrees:

- Summa Cum Laude cumulative G.P.A. of 3.90–4.00
(with highest Honors)
- Magna Cum Laude cumulative G.P.A. of 3.75–3.89
(with high Honors)
- Cum Laude cumulative G.P.A. of 3.50–3.74
(with Honors)

CLASSIFICATION OF STUDENTS

Students are classified at the beginning of the school year based on the number of units completed in accordance with the following schedule:

- Freshman 0–32 semester hours
- Sophomore 33–65 semester hours
- Junior 66–98 semester hours
- Senior 99+ semester hours

ACADEMIC POLICIES

Academic Load

A student must carry a minimum of 12 semester hours (undergraduate) or 8 semester hours (graduate) to be classified as a full-time student. A student may not register for more than 18 hours without approval from the Academic Dean. An average academic load of 16.5 hours per semester is required to graduate in four years, except in the Christian Elementary Education program, where the load is greater.

A semester credit hour is 50 minutes of classroom study, lecture, or lab for a period of sixteen weeks. The calculation of clock hours is as follows: semester hours times weeks times 0.833 equals clock hours, e.g. 17 semester hours \times 16 weeks \times 0.833 = 226 clock hours.

Academic Records

Complete records for each student are maintained by the Records Office and include the following:

- Credit given for work completed for previous education and training.
- Examination results from English placement tests and their equivalents.
- A final grade for each course for each enrollment period.
- A record of all withdrawals, including the last date of attendance and any re-enrollment in courses from which there were withdrawals.

Each semester, information is available to students to show their progress toward graduation:

- Students can access current grades through our student information system.

- Semester grade reports are available to students in the student information system. Final semester grades are permanent and will appear on the student's transcript.
- Real-time grades and progress towards graduation are available through our student information system.

Transcript Requests

The normal processing time for a transcript request is two weeks. During the Christmas holidays, the processing time may be longer. Before transcript requests can be processed, the following requirements must be met:

- Submit an online transcript request form at www.ambassadors.edu/transcript.
- Pay the transcript fee of \$8.00 per transcript copy with your request.
- Your account must be current with the Business Office.

Academic Forgiveness Policy

Students are permitted to repeat courses where grades of F and WF are earned. Grades of D may also be raised, but only if the course is a requirement of their major area and requires a minimum grade of C. Repeated course entries will be followed by the letter R. Only the repeated course with its specific quality points will be used in the overall grade point average. The grade on the initial course will be replaced by a grade of R and will not be used in the overall grade computation.

The forgiveness policy may be utilized only by someone working toward a degree who has taken the repeated course(s) at Ambassador Baptist College prior to the receipt of his first bachelor's degree. The student can utilize the policy only once per course and to a maximum of five different F, WF, or D courses. A student should consult the Academic Dean's Office prior to registration each term to assure that the policy is applicable to his specific concern.

Academic Progress and Probation

Each student must demonstrate through his scholastic record that he is making satisfactory academic progress in order to remain eligible to remain in his program of study or to continue in the school. Satisfactory progress for enrollment purposes is based solely on the courses attempted at Ambassador Baptist College. A minimum cumulative G.P.A. of 2.00 is expected to graduate. At the end of each semester, the Academic Dean will

review each student's progress and make specific decisions concerning continued enrollment. If a student's cumulative G.P.A. is 2.00 or above, he is considered to be making satisfactory progress and is eligible to enroll for the upcoming semester of study. If the student's cumulative G.P.A. is below 2.00, he is considered to be having academic difficulty and is placed on academic probation for the upcoming semester. At the discretion of the administration, first-semester students may be given an additional semester to adjust to college academics and meet minimum GPA requirements before they are placed on academic probation.

Academic probation should alert the student that progress in his program of study is in jeopardy and immediate attention is imperative. The probationary term will be served during the student's next term of enrollment. During this period, the student is ineligible to participate in any leadership positions in connection with the college, including traveling musical groups. Involvement in these activities requires much time and interferes with the need for study. Furthermore, the student will be limited to a prescribed academic load of approximately 12 semester hours or fewer. If the semester ends and the semester's G.P.A. is below 2.00, he is not considered to be making satisfactory progress and will, at the discretion of the administration, be dismissed from the school. However, if at the conclusion of the probationary period, the student's semester G.P.A. is above 2.00 but his cumulative G.P.A. is still below 2.00, he is considered to be making satisfactory progress and will be given one additional term of probationary enrollment. This extended probationary status recognizes the student's progress, but an additional semester of study is necessary to raise the cumulative G.P.A. to the desired minimum. Students released from the college for academic reasons are eligible to apply for readmission after one semester. However, readmission is not automatic. Students readmitted after academic expulsion are accepted on a probationary basis. A minimum G.P.A. of 2.00 will be required each semester in order to continue. The probationary status will be removed once the student's cumulative G.P.A. is 2.00 or better.

Any student dismissed twice due to unsatisfactory academic progress may not apply for readmission for one academic year.

Appeals of academic decisions implemented through this policy may be made in writing to the Academic Dean.

Academic Counseling

The college provides academic counseling to assist students in planning their academic programs and to deal with any problems which need assistance, including determination and removal of causes for low academic scholarship. During the school year, a

student may consult the Academic Dean concerning his course of study and his future academic plans. Counsel is given by the Academic Dean to assist the student in making progress toward graduation.

Transfer Credit Policies

Ambassador Baptist College reserves the right to reject transfer credits from any academic institution at the discretion of the administration. Credits may be transferred if earned in another college, university, or institution of collegiate level, under the following provisions:

- Only credits which carry a grade of A, B, or C will be accepted for transfer credit.
- Courses accepted for transfer must be of comparable content and quality as those offered by Ambassador Baptist College.
- Courses of comparable quality but not of comparable content will be accepted as elective credits.
- While transfer credits beyond the number required for each area of study within a major are acceptable as electives, the electives will be limited to the number required for each major.
- Each transfer student will be required to complete a minimum of 64 semester hours toward the bachelor's degree and 50 semester hours toward the Graduate of Theology diploma at Ambassador Baptist College. In the "Undergraduate Programs" section of this catalog, the curriculum for each major includes the required number of hours in several categories for completion of the degree.

REGISTRATION

All students must register for classes. Registration days are scheduled at the beginning of each semester. Students living in the area may register early, but a late registration fee will be assessed to all who register after scheduled registration times. Registration is not complete until financial arrangements have been approved in the Business Office. Students will not be permitted to enroll in any class after the second week of the semester.

CHANGE OF REGISTRATION

The following procedures have been established for those students who need to change their schedules after registration:

1. Consult with the Academic Dean.
2. If a change is recommended, he will adjust the student's registration.

3. Pay the add, drop, or transfer fee if applicable. This fee is not charged during the first two weeks of each semester. Any courses dropped during the first two weeks of the semester will not appear on the student's transcript. Courses dropped after the second week of the semester will be given grades WP or WF. Failure to withdraw officially will automatically result in the penalties associated with the college's policy on class attendance.
4. Courses may not be added after the second week of the semester.

ATTENDANCE

Class Attendance

Regular attendance to classes is required. A student is responsible for all work assigned, including any assignments missed because of absence. Whenever possible, a student should consult his instructor in advance about work to be missed because of a foreseeable absence. An instructor is authorized to lower the grade of any student who has unexcused absences. Excessive absences (absences exceeding four times the number of weekly sessions for the class) will result in a grade of F. Excessive absences directly related to emergency situations or extended illnesses may be appealed in writing to the Academic Dean.

Students missing class on the date of a scheduled test will not be permitted to make up the test or to take it early unless unusual circumstances prevail and approval is granted by the Dean of Students or Academic Dean. Students failing to take a final examination at the scheduled time will not be permitted to make up the test without written approval from the Academic Dean.

Punctual attendance is expected in all classes. Three tardies will equal one unexcused absence.

Students will be excused from class to allow for participation in approved college functions, as determined by the Academic Dean and/or the Dean of Students. Students missing class because of such activities are responsible for the material given during the class. Arrangements must be made for early submission of assignments due on the day(s) of an absence. Make-up of scheduled tests or quizzes should be coordinated with the appropriate instructor and will be taken prior to the scheduled date whenever possible. Absences for these functions are not counted against the student's record for the semester. Absences for special situations may also be approved in advance by the Academic Dean at his discretion.

Chapel Attendance

Daily chapel attendance is required of all students as an integral part of their training. See the Student Handbook for details.

Church Attendance

Ambassador Baptist College requires every student to faithfully attend and support one of the independent fundamental Baptist churches in the area in all services of that church, as well as any special services of that church. Each student is also required to participate a minimum of two hours per week in that church's evangelistic visitation program.

Required Functions

All students are required to attend orientation at the beginning of their first semester each school year and Baccalaureate Chapel on the final day of spring semester. New students are required to attend New Student Registration at the start of their first semester. Other required functions are listed in the student handbook.

COURSE AVAILABILITY

The courses in the catalog are offered with the full-time student in mind. Anyone who is planning to attend Ambassador Baptist College for only a year or two should make certain that the courses he wishes to take will be offered during the time that he wishes to attend. Ambassador Baptist College cannot assume the responsibility to offer specific courses for students who plan to attend for only a short time.

The college reserves the right to cancel any course that does not have sufficient enrollment to warrant the offering of that particular course.

COURSE SUBSTITUTIONS

Every effort will be made to offer required courses each semester in a scheduling format that facilitates student progress toward graduation. If a student follows the course layout in the college catalog, he should be able to graduate in the specified period of time for each program. In the event that the college is unable to offer a course for any reason, the Academic Dean may substitute another course, at his discretion, in place of the unavailable required course. Substitutions will be made from within the same category if possible, but a course substitution may include

a course from other categories as approved by the Academic Dean. He may also substitute courses when, in his judgment, extenuating circumstances apply or changes to the schedule of courses offered by the college negatively impact a student's progress toward graduation.

IRREGULAR SCHEDULING

While the college will do its best to accommodate individual scheduling to meet employment schedules or other needs, courses cannot be scheduled for the convenience of individual students who cannot or who do not take courses in their regular sequence. Students must plan ahead.

SUMMER SCHOOL

Detailed information about summer school courses, activities, and dates may be obtained by contacting the Records Office.

WITHDRAWAL FROM THE COLLEGE

Withdrawal from the college requires completion of a Withdrawal Form obtained from the Academic Dean. This form must be submitted to the Academic Dean and also to the Business Office before withdrawal becomes official. The effective date of the withdrawal shall be the date on which the student signs the Withdrawal Form or in the case of an unofficial withdrawal, the date determined by the Academic Dean once the student has exceeded the excessive absence policy described in the class attendance policy. Failure to follow the administrative procedure for withdrawal will result in a grade of F in all courses and a forfeiture of any refund.

INSURANCE

Ambassador Baptist College strongly urges every student to be covered by some type of health insurance. Those who do not have health insurance will sign a waiver which releases the college of any liability. All students with cars are required to provide proof of automobile insurance along with the proof of automobile registration and a valid driver's license.

UNDERGRADUATE PROGRAMS

PROGRAMS OFFERED

Every student enrolled in the bachelor-degree programs at Ambassador Baptist College will major in Bible, as well as in a second area of study as listed on the following page. The number of semester hours of Bible will vary between sixty and sixty-seven hours for each program. Every four-year student will have studied through the entire Bible by the end of his senior year.

In addition, between his junior and senior years, every student in a bachelor-degree program will be required to serve an internship in the area of his second major, for which he will earn six semester hours credit. This internship will be performed in the field under the observation and supervision of authorized personnel, such as a local pastor and staff, an active evangelist, or a field missionary.

GRADUATION REQUIREMENTS

Ambassador Baptist College grants degrees and certificates to those students who meet the following standards:

- Demonstration of the assurance of salvation as evidenced by the fruit of the Holy Spirit and approved conduct in accordance with Christian character as prescribed in the Student Handbook.
- Demonstration of Christian service by successful completion of the Christian service and student internship requirements.
- Satisfactory completion of one of the college's programs with a cumulative grade point average of 2.00 or more.
- Full payment of all financial obligations.
- Written agreement with the doctrinal statement.

CERTIFICATE IN BIBLE

The certificate in Bible is a course of study designed for the student who may not be certain what the Lord wants him to do in life or who may believe that God has not called him into full-time Christian service. It is intended to provide him with a concentrated program of Bible study which will enable him to get a good foundation for life, whether he leaves to pursue other studies or employment or whether he stays to complete his bachelor's degree. The program consists of thirty credit hours of Bible, three hours of Christian education, and three hours of practical training. Inasmuch as all courses in this program of study are required for graduation in every other major offered at Ambassador Baptist College, the student loses no credits should he decide to stay and complete one of the other programs of study.

Integrated approach includes analysis, writing, sight-singing, listening, ear training, and dictation. Prerequisite: MU 104.2 or successful completion of qualifying entrance exam.

MU 120.025 Ambassador Instrumental Ensemble

This group is for the development of those students who play instruments. Much of their ministry will be on campus with an occasional trip to local churches in the area. This group also provides a model for those who will go on to develop an instrumental group in their own local church ministries. $\frac{1}{4}$ elective credit per semester, to a maximum of 2 hours.

MU 121.1, 122.1, 221.1, 222.1 Piano Class I and II

Beginning techniques are covered, including the understanding and practical application of music fundamentals as applied to the keyboard. A progressive competency in basic four part hymnplaying, major and minor scales and chords, and easy classical pieces is required. The student may be placed in MU 131.1, 132.1, 231.1, 232.1, 331.1, 332.1, 431.1, or 432.1, depending on his progress and development. Course fee required.

**MU 131.1, 132.1, 231.1, 232.1, 331.1, 332.1, 431.1, 432.1
Piano Lessons**

Private or semi-private instruction is given to each student to develop proper piano technique, practice procedures, and musicality for the performing of classical compositions, gospel song and hymn arrangements; and to learn the basic fundamentals of congregational hymnplaying. Private Lesson fee required.

MU 141.1, 142.1, 241.1, 242.1, 341.1, 342.1, 441.1, 442.1

Voice Lessons

Private instruction is given to each student in developing a proper and dependable technique. The student can apply this in the singing of the basic art song and sacred art song literature, as well as applicable literature from oratorio. The ministry of the gospel-song solo is also an important part of this instruction. Private Lesson fee required.

MU 151.1, 152.1, 251.1, 252.1, 351.1, 352.1, 451.1, 452.1

Instrumental Lessons

Private instruction is given to each student in developing proper techniques and in studying and performing some of the traditional classic literature of the masters, with an ongoing emphasis upon the gospel song/hymn arrangement as a solo ministry for the local church. Not for beginners. Private Lesson fee required.

MU 211.3, 212.3 Music Theory II

Continued study of tonality from harmonic and linear perspectives, tracing chromaticism from basic modulations through advanced chromaticism of the 19th century. Second semester begins with the extended harmonies of the 19th century through the tonal ambiguity of impressionism and the new directions of the 20th and 21st centuries. Study of structural form including sonata, theme and variations, rondo, and fugue. Integrated approach includes analysis, writing, sight-singing, listening, ear training, and dictation. Prerequisite: MU 112.3 or equivalent.

MU 214.3 Song Leading and Church Music Administration

A study of the development of an individual style that encourages enthusiasm and strong singing from the congregation, the study of traditional conducting patterns, the choosing of hymns and gospel songs for evangelistic services, handling of special techniques, and platform etiquette. A study of the philosophy, organization, leadership, and resources for using music in the ministry of the local church. Emphasis on criteria for leadership, congregational singing, copyright law, service planning, vocal and instrumental music (solo/ensemble), keyboard instruments, recruitment, and music library organization.

STUDENT LIFE

AUTOMOBILES

Any student may have an automobile on campus. All students who bring automobiles onto campus are required to have proof of automobile insurance coverage. Automobiles must be registered with the Business Office, and a registration fee must be paid. Use of an automobile deemed by the administration to be inappropriate may result in forfeiture of this privilege on an individual basis.

INSURANCE

There is no student accident and/or health insurance plan currently available. All students are encouraged to provide their own private insurance protection to cover accidents and illnesses.

STANDARDS OF CONDUCT AND DISCIPLINE

Ambassador Baptist College is vitally concerned with the personal and spiritual development of its students and expects that its students will conform to the highest standards of Christian conduct. The college strives to accept those students who are sincere and earnest in their desire to live for Jesus Christ and who give evidence of conduct consistent with such a profession. In this regard, attendance at Ambassador Baptist College is a privilege, and the college specifically reserves the right to dismiss students who conduct themselves in a manner incompatible with its purpose and functions.

A student whose personal conduct is a poor testimony for Christ and who fails to live in accordance with the Scriptural ideals of Ambassador Baptist College will be spiritually counseled and will be disciplined to such extent as the Dean of Students or the Discipline Committee deems advisable. The college reserves the right to refuse to admit, to put on disciplinary probation, or to dismiss any student whose personal conduct or attitude in the judgment of the administration is not consistent with the Christian spirit and standards which the college seeks to maintain.

DINING

Students, faculty, and staff enjoy great food and times of fellowship in the Tonya Love Memorial Dining Hall. Resident students are served three meals each weekday, as well as brunch and supper on Saturdays and a light supper on Sundays. College faculty, staff, and administration, along with their families, eat meals with the students in the dining hall at lunch time each day, helping to foster a family atmosphere and giving opportunities for interaction outside the classroom environment.

HOUSING

Married students must provide their own housing. The college may be able to provide assistance in locating adequate housing. Single students under twenty-three years of age must live in the dormitories unless living with a blood relative or with a legal guardian. Any exceptions must be approved in writing by the Dean of Students. Those between twenty-three and thirty years of age at the beginning of a semester may attend either as dormitory students or as commuting students, except that all single students who must move to the Lattimore area to attend Ambassador Baptist College and who are under thirty years of age must live in the dormitory at least one semester. Once a student who qualifies to live in town begins a semester or summer session in the dormitory, he may not move into town until the beginning of the next semester or summer session without permission from the Dean of Students Office. Applicants thirty years of age and over must provide their own housing and are not eligible to live in the dormitories.

LIBRARY

The Kennedy Library was named for the late Mr. and Mrs. John L. Kennedy, the parents of Mrs. Ron Comfort and Mrs. Mary Townsend.

The library provides study space for sixty students at one time, internet access for personal computers, and college computers for student use. Tens of thousands of books are shelved, with more being added regularly. The collection houses several ministry-related periodicals, in addition to both Biblical and secular sets of encyclopedias, a large number of biographies, many Bible commentaries, various music volumes, and resources on a variety of helpful topics pertinent to all the majors.

Vertical files house mission agency information. A good supply of audio-visual material and equipment, including a micro-fiche reader with tapes of the early Sunday School Times, is ready for students to supplement classroom instruction.

THE DR. DAVID L. CUMMINS GRADUATE STUDY LIBRARY

The Dr. David L. Cummins Graduate Library houses the Baptist History books of the late Dr. David L. Cummins, along with many other volumes that graduate students need. Theological journals including *Bibliotheca Sacra* and *Grace Journal* are available for use in the Graduate Student Library.

STUDENT ACTIVITIES

One aspect of maintaining a family atmosphere is providing opportunities for our college family to enjoy times of recreation and fellowship. Get-acquainted activities at the beginning of the school year help students and staff get to know the new students. Each school year, there are several activities and banquets throughout the year to give other opportunities for fellowship and social interaction.

Intramural athletics, organized through our student activity leagues, provide opportunities for exercise and recreation. Throughout the year, students have the opportunity to participate in softball, basketball, and volleyball games, as well as other league events and activities. At the end of the school year, the top league receives the coveted President's Cup trophy.

ABC STUDENT APPEALS POLICY

Ambassador Baptist College College desires to resolve student grievances, complaints and concerns in a timely, fair and amicable manner. A student who desires to resolve a grievance may initiate the resolution process by the doing the following:

1. Informal Process

- A. The informal process must be completed before a Formal Grievance can be filed. The student is advised to discuss the grievance informally with the person who is the source of the grievance or that person's supervisor. If the grievance is resolved by the parties, the matter is deemed closed.
- B. If the grievance is not resolved at this level, the student may request an informal review by the College Administration.

If the source of the complaint is another student, consult the the Dean of Students; if the source of the complaint is a College employee, consult the Administrator who directly supervises the employee;

If the source of the complaint is an Administrator, consult the President's office. (To promote a fair and swift resolution of their concerns, students are advised to consult with only those administrators designated by this procedure, unless there are compelling reasons to do otherwise).

- C. The Administrator may choose to meet individually with the involved parties or convene the parties in an effort to resolve the grievance during the informal process. If the grievance is not resolved at this level the student may initiate the formal grievance procedure.

2. Formal Grievance Procedure

- A. A formal Grievance may be initiated after the Informal Process has been completed and the student is not satisfied with the resolution. The formal grievance

procedure begins when a written complaint is submitted to the College. The formal grievance will then be routed to the appropriate Administrator.

- B. The Administrator shall further investigate the complaint, and shall, as necessary, meet with the student and the person who is the source of the grievance. Any of the parties involved in the grievance may bring a full-time Ambassador Baptist College employee to the meeting as an observer. The Administrator must provide a written response to the student and the person who is the source of grievance within seven (7) business days of the meeting or receipt of the written complaint.

3. Appeal and Final Review

Should the student desire to appeal the decision of the Administrator, the student may submit a signed statement of appeal within seven (7) business days to the President. The President will review the appeal, to meet with the student and/or other parties as identified in (2) above at his discretion, and respond in writing to all parties concerning the disposition of the appeal within ten (10) business days.

Note: Ambassador Baptist College may be required to share information concerning complaints with the board of directors or pertinent government authorities.
